A simple strategy to capture Multibaggers.

1) WklyChart

2) 30 wk MA and 10 Wk MA

3) 10 ma at 45 degree steep.

4) Get ready for long -10 ma crosses 30 ma.

5) Go long on a pullback at 10 MA. 6)Add on pullback at 10 MA.

7) Exit if complete candle closes below 10ma
