A morning star was spotted in one of the highly traded #Nifty50 stock in week t/f.

MORNING STAR PATTERN

- Bullish Trend Reversal Pattern.
- 3 Candle Pattern.
- The first candle is **red (bearish)**.
- The second candle can be any colour, but it should be a 'Doji' or 'Spinning Top' which suggests indecision.
- The third candle is **green (bullish)**.
It's more effective when backed with higher volume.
