## Twitter Thread by Van Ilango (JustNifty)

A morning star was spotted in one of the highly traded #Nifty50 stock in week t/f.

## MORNING STAR PATTERN

- Bullish Trend Reversal Pattern.
- 3 Candle Pattern.
- The first candle is red (bearish).
- The second candle can be any colour, but it should be a 'Doji' or 'Spinning Top' which suggests indecision.
- The third candle is green (bullish).
  It's more effective when backed with higher volume.
