■■ best chart patterns for technical uses■

<https://t.co/pPfQylaF4F>

■■ how to decide when to book profit ■

<https://t.co/eJ6btls57Q>

The Trader biggest dilemma is when to book profit

Here is simple solution which I m using from many years.

This not based on any indicators .

(Based on pure price action & days low)

I am swing breakout trader so I will tell you this thread \U0001f9f5 how I book profit \U0001f447
