Aneesh Philomina Antony (ProdigalTrader)
@ProdigalTrader

"Quote Retweet" ur mail ID
if u want free scanner for the strategy posted below.
I will send separate Scanners for

1. EOD analysis for preparing trade plan
2. Live Trading with entry signals

> Bullish scanner for day/swing trading
>
> Stocks which made new 52 week high in last 1 month, today closed at day high & abv previous day range.
>
> Bearish scanner for day/ swing trading
>
> Stocks made new 52 week low in last 1 month, today closed below previous day low & near day low.
