A Crash course on Wyckoff Methodology - More than 100 year old, time tested and age proven methodology for Buying and Selling Stocks.

This is what Darvas and Jesse Livermore also followed.

“There are those who think they are studying the market—what all they are doing is studying what someone has said about the market . . . not what the market has said about itself.”

**Richard DeMille Wyckoff
1873-1934**
