I highlighted the big selling volumes for you. Did I know the CEO will resign? No.

I just noticed the selling by informed insiders on the chart. And here you have the news with a LC.

Ignore the charts at your own peril

Jubilant Foodworks - The first thing I ask myself before jumping in is if the selling has been absorbed/exhausted. How?

~ price will fall down with fewer volumes
~ or price will stop forming fresh low

Till these conditions are met - NO SIP/no lump sum pic.twitter.com/FeJC849EYu
