Stocks don't pick you, You pick stocks. It's all about process.

At scientific investing, we ve "ghoomega" strategy n currently 4 stocks. UFO was one example shared

The least to do is observe all charts of @VVVStockAnalyst @charts_zone @Accuracy_Invst n u will get their pattern

> Many were telling me that's stocks move after my post
>
> Didn't post nahar cap today when I bought and now it's 10% higher
