Fantastic website to follow to understand various Indian startups in depth....https://t.co/WsOVNY2syA and their podcast is equally good....https://t.co/R7ePnDGJD2 thanks @ajuniorvc for your essays and podcasts.....

In one of the Shawspring interviews, Dennis Hong mentioned that studying these startups helps in identifying opportunities in listed space. I think it also helps in avoiding some segments where we think the business model can be disrupted by new startups
