Took me 5 years to get the best Chartink scanners for Stock Market, but you'll get it in 5 mminutes here ■

Do Share the above tweet ■

These are going to be very simple yet effective pure price action based scanners, no fancy indicators nothing - hope you liked it.

https://t.co/JU0MJIbpRV

52 Week High
One of the classic scanners very you will get strong stocks to Bet on.

https://t.co/V69th0jwBr

Hourly Breakout
This scanner will give you short term bet breakouts like hourly or 2Hr breakout

Volume shocker
Volume spurt in a stock with massive X times volumes

https://t.co/SQDNDeJxgW

Nr4/Nr7/IB
Range stocks that are about to burst

https://t.co/XlQ1pmdNIO

Consolidation near 200MA
Range breakouts that can practically give good move and change to bullish stock above 200MA

https://t.co/9GrhvIrye1

Hope you like these.

We will do the execution part on our TG - https://t.co/Mik9dqyO4E
