#Kotakbank - something is cooking - A study from various angles

1) On candlestick charts - closed above 20days high

#20BarHighScanner

#KotakBank - 2) On Heikin-Ashi charts - giving a HA-bullish reversal

#KotakBank - 3) on Renko Charts - 3% brick size signs of breaking out after pullback and also from support/resistance area

#KotakBank - 4) on P&F charts (medium and short term charts)

#KotakBank - on RS charts with Nifty 50. Stock started outperforming in the index
