Most of the indices are entering oversold territories

Take small cap index for example
Whenever Monthly RSI is below or around 40, the index bottoms out

We are getting there.

If I had 50% cash, I would have deployed some in beaten down stocks where earnings growth is intact. https://t.co/t5WwgH1V5o

I have more than 50% cash but still worried if this is a good time. Will invest 20% by EoY
