If your salary / incentives are not dependent on the next quarter earnings, just relax!

No one has any idea where the stock is going in the short term. Your paid advisors definitely haven't got any idea. They're just making it up, so you stay with them.

Key word :: quarter

Sir why has Sequent released its results yet?

11:28

Doesn't matter. This is long story
...correction : VERY long. Boarded this
long distance train in 2018.
