1/ Meet Mark E Smith, 50, of Ravenna, OH. Mark was part of the riot that did the insurrection at the U.S. capitol 1/6 in Washington DC. Thanks to a couple tips we were able to place Mark with several Ohio Proud Boys at the U.S. capitol.

Welcome to hell, Mark!

2/ Mark E Smith's aliases: Joel, Big Moe, Moeloco Venice, & the lesser known "Moskaroni the Morni" which we'll get to in a hot minute.

Anyway, Mark hung out with the Ohio Proud Boys 1/6 in Washington DC. Circled is Joe Sitosky who we exposed here: https://t.co/tmRABvit2b

1/ Meet Joseph Robert Sitosky (aka Joe Spadaro), 27, of Mogadore/Ravenna, OH. Joe was part of the riot that did the insurrection at the U.S. capitol 1/6. He thought it'd be cool to f*ck around, and now he's gonna find out.

3/ FAIR USE to show context.

This short video clip shows Joe Sitosky, Mark Smith, and the Ohio Proud Boys all marching together in Washington, DC on 1/6.

Listen to Mark yell, "CRIPS for Trump!" Yes, *those* Crips.

4/ Mark Smith was (is?) a member of the Crips, a gang based in the coastal regions of Southern California, hence the aliases Moeloco Venice and Big Moe.

Mark mentions being a teenager in Los Angeles in the 1980s. Venice is a neighborhood in Los Angeles.

5/ Mark Smith of Ravenna, OH volunteers in his community...we bring this up because in the next tweets we'll show that Mark is racist & fascist. Mark's community needs to be warned about his beliefs.

Ravenna crowd celebrates Juneteenth at Diversity Festival

The third annual Juneteenth Diversity Festival was held recently at the Skeels-Mathews Community Center in Ravenna. The family-friendly event included entertainment by the In Demand Band [illegible] and a street [illegible]. The festival was hosted by the Friends of Juneteenth with Justuss events.

Juneteenth is the oldest known celebration commemorating the ending of slavery in the United States. Dating back to 1865, it was on June 19 that the Union soldiers, led by Major General Gordon Granger, landed at Galveston, Texas, with news that the Civil War had ended and that the enslaved were now free.

Juneteenth today celebrates African American freedom and achievement, while encouraging continuous self-development and respect for all cultures.

6/ Here's what Mark thinks about black people:

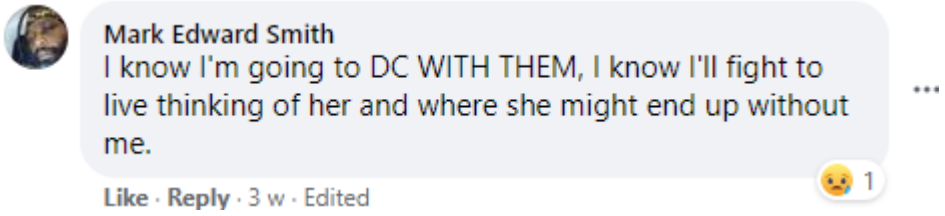

7/ Remember Mark Smith's alias "Moskaroni the Morni?" Well, Mark has some interesting takes on the Book of Mormon, a religious text of Mormons. He believes he is the reincarnated Captain Moroni, a military figure, commander, & patriot that killed 4,000 political dissenters.

8/ ■■ACTION ITEM■■

Mark Smith was ready to die when he went to Washington, DC with the Ohio Proud Boys on 1/6 to try to overthrow democracy & do a coup. He has a lengthy criminal record inc violence against a family member. Mark's community needs to be informed so please share.
