@AFPgraphics AFP graphic showing the main equipment used by hardcore pro-democracy protesters in Hong Kong to battle police tear gas, pepper spray and rubber bullets

@AFPgraphics

@AFPgraphics Frontline first aid.

Nurses, doctors, medical students and ordinary citizens with first aid training have clamoured to join a small volunteer corps helping treat people involved in the Hong Kong protests

@AFP's Yan Zhao reports: https://t.co/uDfYkMeZJf

■ Anthony Wallace

@AFPgraphics Pro-democracy activists kick off three days of rallies at Hong Kong airport.

Protesters hope to win international support from arriving passengers. The last demonstration at the airport on July 26 passed off peacefully without causing flight disruptions
