**OFW planning to fly back to the Philippines?**

**Follow this thread to learn more about the process one has to go through from planning to arrival:**

While abroad, register online thru <https://t.co/UdiHtsAnQf> for landbased OFWs and <https://t.co/OVdadfbXX0> for seafarers and secure your unique QR Code.

Upon arrival at the PH airport, Bureau of quarantine will collect the accomplished health declaration forms.

There will also be briefing on health and safety protocols upon arrival at NAIA.
