Such strong is their propaganda machinery that even after sick 26 Jan violence, they are able to get the media/celebs by their side. We are minions in front of them.

I had been a big big fan of @rihanna , having said that , 3.5 million USD allegedly paid to to her for a tweet , breaks many heart from a nation of 1.5 billion

She won't ever perform In Pakistan. For she had to wear a hijab , she can't perform in India for her anti India views

I never thought I would live to see a day where Rihanna will herself take note of Indian farmers' plight. Such a good gesture. My opinion of her had changed after reports of her drug use and pictures of her throwing white powder on her bodyguard's head went viral.
