@ramnikmann

Dear all pl pay attention to this thread, I received an article on whatsapp sent by my friend @Qamarcheema Sahab, written by Major Adil (@soldierspeaks) about Sikhs & 1984 State Sponsered Genocide by the then @INCIndia Government, below are my observations and Questions.

Thank you for sharing @Qamarcheema.
Your Major needs a good reality check. His observation are devoid of facts and appear more like a propaganda. Is this guy appears to be disillusioned.

Questions to Adil:
•Name one Non Muslim Prime Minister in Pakistan.

• Name one Non Muslim President

• Name one Non Muslim Chief of Army Staff.

• Name one Non Muslim Corps Commander

• Name one Non Muslim Chief Minister of a Province

• Name one Non Muslim Governer of a Province

• Name one Non Muslim Policy Maker in Pakistan.

• Why are Non Muslim Businesses being targeted in Pakistan?

• Why are Non Muslim Girls abducted and forcefully married?

• Why are Non Muslim families deprived Basic Citizens Rights in Pakistan?

• Who is Mian Abdul Haq, AKA "Mian Mitthu" ? What's his role in Conversions

"Mitthu Mian", of Bharchundi Shareef Dargah is he not notorious for forced conversion and abduction? Was he not a member of the National Assembly of Pakistan from 2008 to 2013?

You made him a law maker? Isn't that astonishing?

Has your country not systematically Killed or Converted most non muslims in Pakistan, including Sikhs, Hindus, Parsi, Jain etc?

Are you not a Muslim Supremist society?

By the way today is Christmas, you can tell @ImranKhanPTI to personal call and wish "Merry Christmas"

to the handful Christians (whatever is left) that are left in Paxtan and later he can share their details with "Mitthu Miyan" and wallah no Christmas calls next year.

Apna mulk sambhalo Miya Adil Raja, @soldierspeaks (Soldier Sach bhi bola karo) aap logo ne

Apni Riyasat-e-Pudina ■mein @ImranKhanPTI ek amli ko Wazir-e-Azam aur Karobari (vyapai, businessmen) ko COAS bana ke baithe ho, loot ke kha gaye aapki kaum ko.
Arab aapko muh nahi lagate, Americans aapko paisa nahi dete, humsaya mulk se aapne sirf junge ladni hai.

Duniya mein aapki aukaat us pados wali chugalkhor ladaku aunty Aunty jaisi hai jo sab ki buraiyan karti firti hai, victim card play karti hai aur bas paise mangti rehti hai. Naya karz chaheye, Pichle diye nahi jate, karz mein doobte chale ja rahen hai aur aapko"Kashmir" chahiye?

Sach suno:
China aapka Naya abbu ho gaya hai, is abbu se apna ghar bacha ke rakhna, aur Abbu se keh kar zara apne Uyghur Muslim Bhai Beheno ko to kaid se riha karwa lo, "Itni aukaat hai kya aapki, ke Cheeniyo ke saamne bol sako"? Aapko Sikho ka fikr sata raha hai?
Chal Jhootha!

Bar'haal aap log Gadhe becho. Hamari fikar na Karo, Sikh apne mulk Bharat mein abaad hai, bohot khush hai, aapka fut dalne ka mansooba kabhi kamyab nahi hoga.
Aapka ■■■■■■■ Khair Khwah

Must say the quality of content, language & facts are false. To sum it up let's say "Extremely Poor".

The Major can get some lessons on writing skills when he goes back to London after the harsh winter is over.
