I've got a thread for you. First, this:

Folks is crying on reddit that this is 4chan propaganda. Which, I suppose, technically it is. However...

4chan Propaganda specifically designed to demonize trans women and bolster bigotry

...4chan didn't make this sheit up.

Is Refusing to Date Trans People Transphobic?
Dating While Trans | The thin line between preferences and prejudice.

I’m tired of celebrating cis men who date trans women | Yes, being trans attracted is a normal part of heterosexuality. But why is heterosexuality normal? https://t.co/BH45dy56xa

[I'm sorry, WHAT is a normal part of heterosexuality?]

Yes, You're Still Straight if You Date Trans Women

I Asked My Crushes Why They Won't Sleep with Me | When a straight guy says he is not into me, nor other trans women, I feel butthurt–emotionally and, unfortunately, not physically. https://t.co/7eM9Q2Fdp0

[See, it's about their feelings. Not yours.]

He's a straight man, but straight women won't date him
Dating can be extra complicated when you're a member of the transgender community.
