I've got a thread for you. First, this:

FIGHT. BIGOTRY.

98%

OF STRAIGHT MEN
ARE UNWILLING TO DATE
TRANS WOMEN
BECAUSE OF HATRED

THIS HAS TO CHANGE.

Folks is crying on reddit that this is 4chan propaganda. Which, I suppose, technically it is. However...

4chan Propaganda specifically designed to demonize trans women and bolster bigotry

IF YOU SEE THIS POST GOING AROUND, DON'T FALL FOR IT. It was created by 4chan to make us (and the left in general) look bad. "Trans Rights Campaign" does not exist. Stay informed. TW: transphobia

ITT we spread this image and similar messages around the internet and claim how horrible it is that the majority of straight men will not date t

>Why?

- 1). To push normal moderates towards the right
- 2). To get the leftist onions thrall that pass for men to start dating t for our own amusement
- 3). Watch the media further damage their credibility trying to defend this
