**Women said “No” - Get over it!**
@womensaidno

**1. This needs to go around all the cabbies, all the football supporters clubs. Anyone that has a daughter or an old nan. We all have mums we love. There’s some liberties being taken with our kids and our women and we aren’t happy about it. Read on:**

2. You might not know the terms Transwoman or Trans Identifying Male. Don’t worry. All it means is it’s a bloke in a dress and lipstick that fancies women. A straight bloke in a dress. They call themselves Trans because it gets them woke points and access to little kids

3. For example this is Alex Drummond: he goes into schools on behalf of Stonewall to talk about being a lesbian. Because he is a bloke that demands we call him a woman and he fancies women so he’s a lesbian. With me? https://t.co/QVmoGYbGUD

4. They are already using women’s toilets and committing crimes against little kids & threatening to stab up their mums https://t.co/ScqfjtWr1F

5. That any women in the family that didn’t pay their bills and end up inside will be in there with men that call themselves women. Rapists and murderers and the women are forced to accept it cos these men SAY they are women. They’re assaulting women already

6. Extremists are putting porn in our schools in the name of being woke https://t.co/DrPyX3Fm3w look it up. Way worse is out there in schools already.

7. The schools stuff is the worst. The little gay kids we know are being told “you were born in the wrong body ” is a PERSONAL insult to their parents. They were born PERFECT thanks. You don’t insult kids and their mums & dads!!! Letter from Mermaids to a schools here.

8. They are trying to do your mum or your sister’s smear test. This one got caught but loads are getting away with it because it’s “transphobic” and women are scared to speak up when they are going through this! https://t.co/mXspLAWL0H

9. So woe betide your mum or nan wants to get well in peace in an NHS women’s ward. They have to accept a bloke in the next bed cos the Govt didn’t tell the NHS clear enough to keep men away from women. But wait to you hear how much worse Labour are on this.

10. On Hackney Marshes the girls teams are forced to have boys take their places. And anywhere the girls want to play sport they need to know the boys can take over and steal & cheat cos it’s PROGRESSIVE. Let alone DANGEROUS!

11. Transwomen are unquestionably women say the Labour Party. Which means this one is a woman & he can shower with our teenage daughters and granddaughters down the local pool or gym or use Primark changing rooms

12. Don’t believe it? Labour Party policy is here and if you don’t agree you are expelled. If you do not agree a man is a woman you are kicked out of a main political party here let that sink in

13. we just scratched the surface because we only recently found out about all this.If your family is important share this to all your work mates & football forums & your WhatsApp groups - let people know to keep an eye out for their women. Old ones and young ones. Cheers

(14. Follow us if you’re as fuming as we are about it we will share links who to follow who is dealing with all this. But first tell all your mates)
