@NoToStalkers

Year end holidays are a time for peace, family meeting and friendship. But not for stalkers. They have no life, just hatred. In the middle of January 1. night, haunted Ramla Akhtar, the Pakistani repulsive whore, was barking and ranting as usual.

BernardGrua continues to threaten Pakistani family

@GruaAbuseArkive

...

Let the nasty #Nantes troll @BernardGrua read and absorb this message: think before you shoot, choke, grab, abuse.

(Bernars Grua is a French citizen who began abusing a Pakistani woman after she gave an unfavorable review to an ex-CouchSurfing host Grua worships bc of his race.) twitter.com/3asseh/status/...

No surprises Ramla Akhtar's Twitter account is such a stinking crap that it attracts no audience.

With her last 3200 tweets on [@GruaAbuseArkive](#), Ramla Akhtar can only reach a 436 total engagement... 87% of her tweet are totally ignored.

With just two tweets, Bernard Grua, Ramla Akhtar's main stalking target, exceeds the engagement Akhtar "reaches" with 3200 tweets...

#BernardGrua real acct - Bernard Grua @BernardGrua @BernardGrua @CaprinoClaude @GruaAbuseArkive @Bertrand_Affile @SHerblain @Johanna_Rolland @PoliceNat44 Mes récents appels à @bassalaicha & @3asseh suite à de nouvelles dénonciations calomnieuses leur ayant été adressées, par cette islamiste pakistanaise, sont restés lettre morte. Cette complicité djihadiste de la municipalité nantaise est mortifère.

#BernardGrua real acct - Bernard Grua @BernardGrua @BernardGrua @██████████ C'est pourquoi l'Arménie ne pourra pas rompre ses liens avec Moscou. Ceux qui rêvaient d'un Maidan arménien lors de la dernière révolution faisaient fi de toute réalité.

The very despicable part of Akhtar's stalking is that Bernard Grua's engagement of 291 (more than Akhtars total engagement) is on a tweet he made to answer Akhtar's calumnious denunciation to Nantes first deputy mayor, Bassem Asseh...

With more than 13,900 tweets via her two Twitter accounts, Akhtar still did not learn on how to use this Social Media. What a stupid troll.

A ratio of the number of people the user follows over the number of followers they have. It accounts for **10%** of the overall Engagement Score.

@GruaAbuseArkive has a follow ratio of 3.8846.

Score: 0.5

Massive stalking does not work. Bernard Grua's Twitter audience is resilient and growing. Especially since France can't stand Pakistani hate speech and terrorists.

Engagement

Engagement score, is a comparison of @BernardGrua and other accounts with between 125 and 150 followers. @BernardGrua currently averages 1,97 likes per tweet, while similar accounts average around 0,08 likes. @BernardGrua also averages 0,44 retweets per tweet, while the similar accounts average around 0,03 retweets.
