■PROTECT YOURSELF AGAINST FEMALE EXPLOITATION.■

Here are some of my BEST points from The Sexcalation System.

1) "TREAT A WOMAN AS SHE ACTUALLY IS - NOT AS YOU WISH SHE WAS."

■ Must read for all men who want to completely UNFUCK THEIR SEX LIFE FOR 2021.

[THREAD]■

2) "The truth is that women are lonely, insecure, sad and bored out of their fucking minds.

They need a COOL GUY to come into their life and save them from themselves.

THAT COOL GUY IS YOU."
■

3) "One day you will be dead; before that happens live life to the fullest.

A life of playing it safe like a timid soy boy is not a life worth living."

■

4) "THE GAME IS 100% LEARNABLE.

Did you know that 10% of men get 90% of the women?"

■

5) "Don’t be a sheep. Think for yourself.

Don’t mindlessly do what the current culture of the times tells you to do.

Don’t be another sheep conforming to the masses."

■

6) "The easiest way to get over a former lover is to replace her with a better lover.

Don't be afraid to put yourself out there and interact with many women.

When one puts himself in the way of opportunity then many opportunities will come."

■

7) "What people think of you is not important.

In fact, they rarely think of you at all because they're too busy obsessing over their own lives."

■

8) "Act like a friend and you'll be friendzoned.

Behave like a lover, and you'll see her sexual side.

It's your behaviors (what you think, say, and do) that create the mutu■ ally acknowledged reality (aka frame)."

■

9) "YOU GAIN POWER BY REALIZING THAT YOU DON'T NEED HER BECAUSE YOU CAN EASILY GET OTHER GIRLS,

AND YOU ACTU■ ALLY DO HAVE MULTIPLE GIRLS IN YOUR ROTATION."

■

10) "You can't be a part of the 1% of men by doing what the 99% of men are doing."

■

Having the skills to go out TODAY and meet cute girls - who desire you - is a fucking SUPER-POWER.

Learn these skills and reap the sexually charged benefits to years to come.
