When there is no hope, put your trust in God.
In everything you do, put God in it. David is an example of a God chaser. In the midst of his trouble, he pursued God continually.

What you never pursue, you won't get.
Psalm 14:2. God is looking at us to see if our attention would be on him. He wants to release his power and glory but if you don't desire him, He won't.

Everything minus God is zero. God is the sum total of our lives. We should have a place for God in your life because you need God to succeed.

Why chase God?
1. God is your sufficiency. (2 Corinthians 3:5) Our sufficiency is of God.
2. God is your source and you need to get connected to God to benefit from his glory
