KILLMONGER'S DIARY

Fuck Africa. I'm American. Any African mad at dem words, kick rocks. Don't like it, jump ship. Back 2 Africa. Need receipts. How much yall made off us? U think we didn't know? Mafucka, we the vibranium that made Africa pop. We werent stole. We were sold.

Yall sold us. Then yall hv the audacity 2 come here, pass as American niggas, lecture us about racism & white supremacy, police our emotion, critique our anger & then U have the bravado 2 lecture us about fighting when yall let Europeans come & take yall shit? Fuck out of here.

Immigrants by nature unpatriotic. When times got tough, you left your country. You abdicated the responsibility to make your country better. You didn't fight. You ran. We didn't leave. We stayed. We fighters. Yall runners. Ain't know runner can tell a fighter about a damn thing.

"Erik U dont understand. We wouldve been killed." So the fuck what. We died fo our shit, but yall weren't willing 2 die for yours & now U come here trying 2 cut the line & take our place & Bitch, dont be calling me by my 1st name. We aint cool like that. Thats Mr. Killmonger 2 U.

& we ain' family. I dont play crayola politics so I dont care we got da same skin color. I ain't got no Melanin infatuation like the rest of deese niggas. I's knows what yall done did to us. I gives as much afuck about Africans as George Jefferson gave about Archie Bunker.

Like Lorraine Hansberry said, "jus cause dey my color don't mean dey my kind." Yall coming here trying to steal our birthright. Affirmative action wasn't meant for you. It was meant for descendants of American slavery, not for the descendants of the mafuckas who sold us.
