If you've got a loved one who's fallen under the spell of Qanon, the next few days could be a crucial window to reach out to them. Their whole world is collapsing around them. They need help & support not mockery & derision. Try to show them a way out of this madness.

Current mood in Q circles

- "I just want to throw up"
- "I'm so sick of the disinformation and false hope"
- "What a waste of my life"
- "I feel sick"
- "Burning my flag"
- "Game over"
- "Where is the military"
- "I'm just so confused"
