Are you a front-end developer or designer?

You should look at these websites which offer modern UI components in different formats.

■■■

1. UI Design Daily:

Awesome UI Components of all types

https://t.co/72SgfNy9RQ

2. 100 Daily UI:

Free Figma library of products, elements, and screens

https://t.co/seJDWAewks

3. Open Doodles:

A Free Set of Sketchy Illustrations

https://t.co/NwyOi5JdI0

4. Humaaans:

Cool illustrations of people with the ability to mix and match

https://t.co/DSubEZO8C4

5. Paaatterns:

Free collection of beautiful patterns for all vector formats

https://t.co/Q23tCjV7Ni
