DEAD PEOPLE SCORED FOR BUFFALO!

A truck delivered off a suitcase full of points at halftime from Canada for Buffalo.

#StopTheSteel !!!!

I'll be submitting sworn affidavits from Steelers fans than they saw the Buffalo rigging the game but I want to emphasize that I'm not under oath.

The first 11 games of the Steelers season were fair. The past two were RIGGED!!!!

STEELERS ARE UNDEFEATED!!

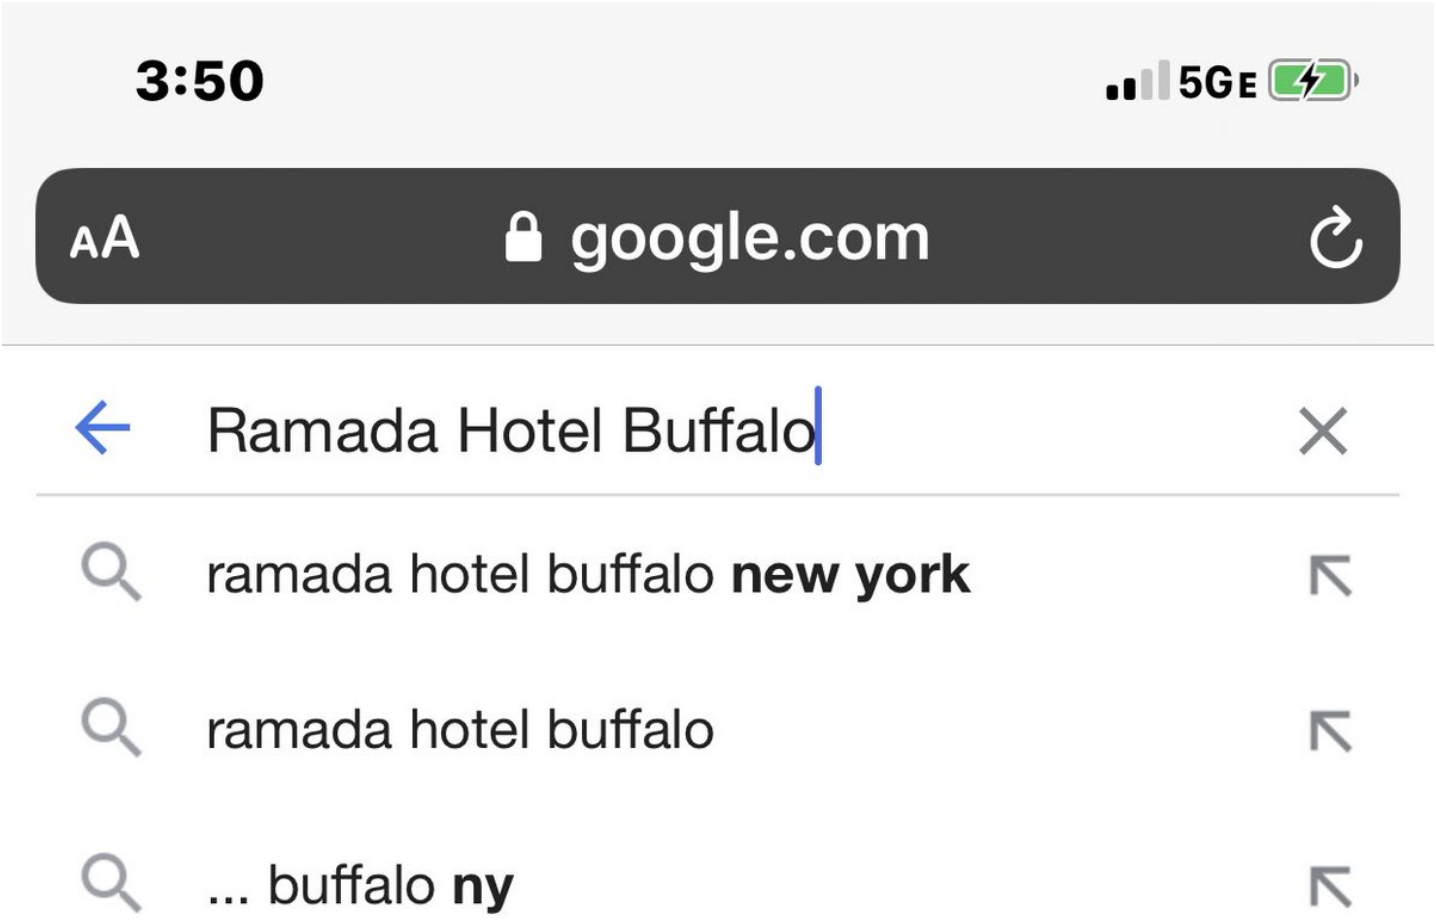

■ This claim is disputed

STEELERS ARE 13-0!!!

■ Sources Have Called Differently

The only difference between my fight and the President's is I haven't lost 57 lawsuits, but you just watch me.

It's on.

Look at that random point SURGE!!!

The NFL had that on its score dashboard but they TOOK IT DOWN!!
