Opemipo: The 15-year-old developer■
@coderoflagos

Here are some resources you need as a designer/developer to work on your level of productivity.■■■■

(Thread) ■■

1. Focusmate: Focusmate changes the way you work by connecting you to other professionals who have committed to being accountable for finishing their most important work.

https://t.co/24HOcHIEDl

2. Habitica: Habitica is a free habit and productivity app that treats your real life like a game. Habitica can help you achieve your goals to become healthy and happy.

https://t.co/KNBH3i21vD

3. BitBucket: Bitbucket is a web-based version control repository hosting service owned by Atlassian, for source code and development projects that use either Mercurial or Git revision control systems.

https://t.co/gPmFoPUtxq

4. Clickup: ClickUp is a cloud-based collaboration and project management tool suitable for businesses of all sizes and industries. Features include communication and collaboration tools, task assignments and statuses, alerts, and a task toolbar.

https://t.co/UWTXzVYUaB

5. Heroku: Heroku is a platform as a service (PaaS) that enables developers to build, run, and operate applications entirely in the cloud.

https://t.co/ETww1mxBOY

6. Behance: Behance is a social media platform owned by Adobe that claims to showcase and discover creative work.

https://t.co/MUEyNSFa9r

7. SourceForge: SourceForge is a web-based service that offers software developers a centralized online location to control and manage free and open-source software projects

https://t.co/RH5aHAIN15

8. Launchpad: Launchpad is a software collaboration platform that provides: · Bug tracking · Code hosting using Bazaar and Git.

https://t.co/S8Hsy9BVlK

9. Perforce is an enterprise version management system in which users connect to a shared file repository. Perforce applications are used to transfer files between the file repository and individual users' workstations.

https://t.co/fqrUCrSeAW

10. InVision: InVision is a prototyping, collaboration, and workflow tool. InVision gives you clarity, collaboration, and control of everything you need to power your design process.
