Mini-#Thread on the austere lifestyle & spiritual capabilities of Wise Brahmins of India as recorded by Apollonius of Tyana (15-100 CE), the legendary Greek philosopher & famous anti-Christ whose works have reached us thru Romans like Philostratus & his Greek disciple like Damis.

As per Apollonius, based on his visits to India in beginning of CE, ■#Hindu #sanatandharma #brahmin #brahman #sage #Dharma #History

“The Wise Men’s (Brahmins) nature and their way of life on the hill are described by Apollonius himself, since in one of his addresses to the Egyptians he says, ‘I saw the Indian Brahmans living on the earth and not on it...
