■■ WATCH LIVE on @JuventusTV!

■■ @Pirlo_official: "This will be an important match for both teams. #NapoliJuve is always a great match and there are important points at stake."

■■ @Pirlo_official: "@arthurhromelo will be evaluated day by day, and we hope everything passes by quickly. @PauDybala_JR is continuing his recovery plan, it will depend on how he feels in the next few days."

#NapoliJuve

■■ @Pirlo_official: "@bonucci_leo19 is a bit tired and will train with us today, then we will evaluate whether to bring him to Naples. The same goes for @aaronramsey."

#NapoliJuve

■■ @Pirlo_official: "We will look at who we have in front of us and think only of ourselves and our journey. Our only goal is to win and do well."

#NapoliJuve

■■ @Pirlo_official: "We are focused on what we have to do, we are recovering well after the match against Inter and this is the only thing we have on our mind."

#NapoliJuve

■■ @Pirlo_official: "Since the Super Cup, we have embarked on a growth path... From there, the team has raised the level, understood the mistakes and a more convincing journey has begun. We needed time, and these positive results have allowed us to work better."

#NapoliJuve

■■ @Pirlo_official: "We faced Roma and Inter in a different way by our choice, but it doesn't mean that we will always play like this. These are my choices based on the opponent, but the approach remains the same: command the game and press high."

#NapoliJuve

■■ @Pirlo_official: "The Scudetto? More than 80 points will certainly be needed, but compared to other years, I think it has dropped a bit due to the many competitions and the general level of the league."

#NapoliJuve

■■ @Pirlo_official: "@WMckennie is doing pretty well. The other night he was not at 100% and we will also evaluate him today because he had a problem with his hip. We'll see who is in better shape and decide how to play."

#NapoliJuve

■■ @Pirlo_official: "@AlvaroMorata is better, he has trained these two days. He could play from the start or come off the bench, in light of our #UCL commitment."

#NapoliJuve

■■ @Pirlo_official: "#Bentancur had the opportunity to shoot against Inter, but he preferred the pass. We are trying to work on this too, he is doing very well."

#NapoliJuve

■■ @Pirlo_official: "Upfront, two will play and one will be on the bench. In the last few matches I had asked #Kulusevski to work on the defensive side of things and he did it very well. We are happy."

That was @Pirlo_official's final response.
