Over 5,000 virtual match tickets sold! Thank you all involved especially the kind supporters of @SpursOfficial ■

Time to give our virtual ticket holders a match preview of our team and tactics! Don't tell anybody!

Goalkeeper - Mr. Thomas from No. 25 - Good positioning & never unsighted.

Full-backs - the Jones brothers from No. 23 - Always give the opposition a roasting. Different gravy.

Centre-backs - the Phillips family from No. 29 - Coordinated, good teamwork & never leave any gaps between them.

Left winger - Mr. Speed from No. 11 - Speed by name. Speed by reputation.

Right winger - Mr Nolan at No. 21. Gets up like he’s on a step ladder. Wears gloves though - bit fancy at times.

Central midfield - Mr Cooney from No. 9 - No pushover although slow at getting up and down.

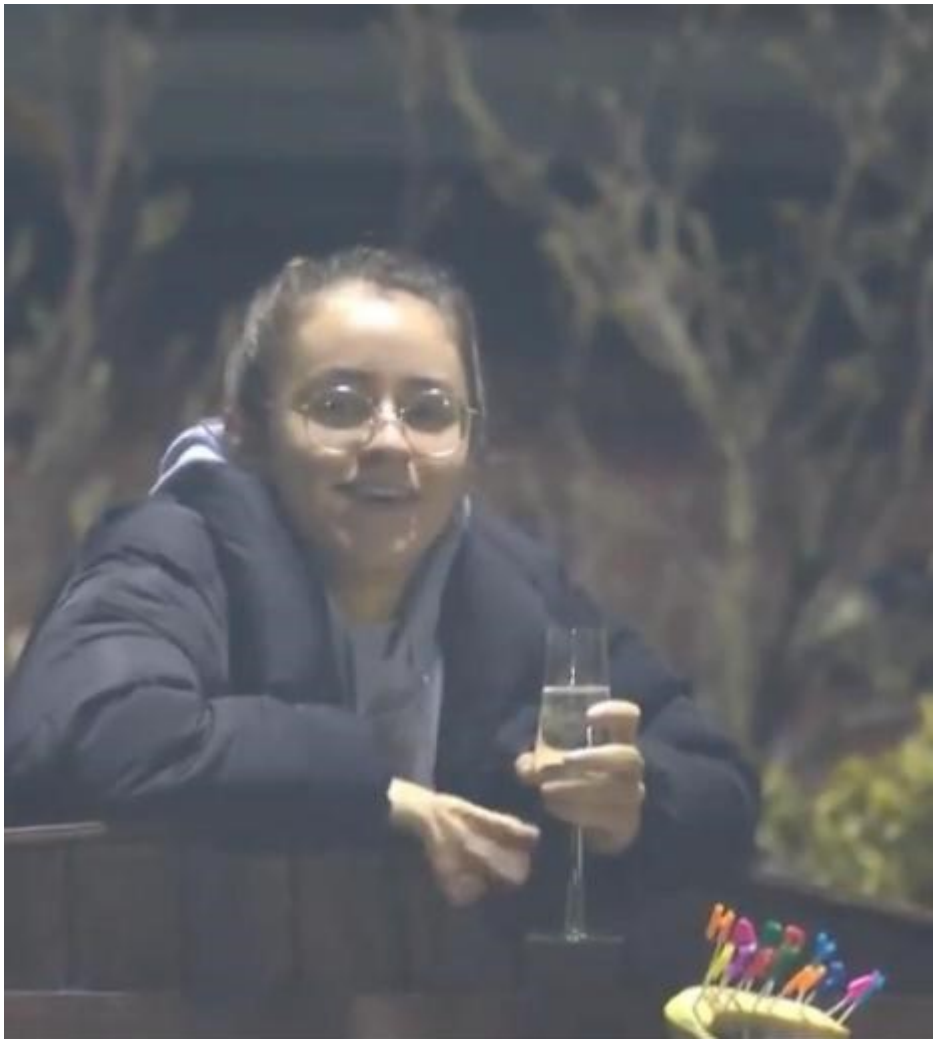

Attacking midfield - Mrs Sutton - Good vision. Makes things happen - even from impossible angles.

Centre forward - Mrs Harkin at No 17. Gets up to about 9ft in the air. Makes sure rest of team maintain their fluids.

Second striker - Banana birthday girl - partial to a slip in the penalty box.
