Joined the St.Johns Cricket Academy at the age of 11. And after few days his father passed away. But the next day, Vihari scored 80 in the final and won a school tournament.

VVS was the first of five cricketers who came from St. John's academy and went on to represent their country followed by Mithali Raj, MSK, Tarun Sai and Hanuma Vihari.

2012 - Picked as a last-minute replacement for the injured Manan Vohra for the 2012 U19 WC. India won the World Cup but he could only score 73 runs in 6 matches.

"That moment I told myself, I would be the first one to play for the national team from this U19 WC squad 2012."

2020 - IND vs NZ tour

7(20), 15(79) at Basin Reserve

55(70), 9(18) at Hagley Oval against a quality bowling attack with the likes of Boult, Southee, Wagner and Jamieson on the tough wicket.

2020 - At a time when his teammates were gearing up for the IPL more than 2500 miles away from Hyderabad, Hanuma Vihari was training and getting himself ready for the challenging Australia tour.

Started the tour well with a century in the warm-up game, but then scored 16, 8 and 21 in the first two Tests. Series level 1-1. An important match at SCG. People were raising doubts and his place was under pressure.

Dropped two catches in the field. India needed 306 to win the test match with 8 wickets in hand on the final day. Rahane falls cheaply. Pant came out to bat ahead of Vihari and it turned out to be a masterstroke. When Pant got out on 97, India still needed 156 runs to win.

Vihari came out to bat no.6. And after few overs he pulled his hamstring and was on his haunches on the SCG wicket. And now the question arises, Does he continue batting here,if he does so then he could be in more pain and miss the next Test Or he would walk back, and come later

But, he carried on. And from that point, he barely ran between the wickets. With Ashwin for company at the other end to offer constant encouragement, he scored a gritty 23*(161) and help India to draw the test match.

India were in trouble. Australia was on the verge of a winning a test match at one stage. Vihari was bit out of form, was under pressure and in some serious pain. But, he stood up for his team and delivered.

> Hanuma Vihari 23*(161) with a hamstring.Take a bow. An innings full of Grit and determination. Runs may not show you the value of this knock but this one will go down in history books. Respect. And no better day to play such knock on Rahul Dravid's birthday.\u2764\ufe0f pic.twitter.com/psyq2goYWF

> \u201cHis scan reports are in and he has a Grade 2 tear which means the boy batted for around 3 hours with searing pain. He deserves praise for standing there and holding fort like a true champion,\u201d #AUSvIND https://t.co/MEnfGLFR7z
