@jackis_trader

All of my teachings in this thread:

At this point, I will just add them randomly but when they are complete I will structuralize them

The value you will find here is ■

1) Market Structure

https://t.co/g5SneLNPh5

> Market Structure (MS)
>
> Understanding MS is the most important thing in TA
>
> It rules above everything. TL's, MA's, Indicators. Everything.
>
> While it's nothing more than looking at swings and seeing Higher Highs (HH), Highers Lows (HL), Lower Highs (LH), and Lower Lows (LL). pic.twitter.com/QbgOSHGkBr
