Long setup:

Trading a reversal using 3 bar Price Action

1. Bar 1 closes lower (Red)
2. Bar 2 closes below Bar 1 (Red)
3. Bar 3 closes above the high of both Bar 1 & Bar 2 (Green)
4. Buy at the close of bar 3
5. SL is low of Bar 3 & Trail SL
6. Decide position size as per risk
