1 FMCG stock chart has so much to teach -

- 1) Cup**
- 2) Handle**
- 3) BO**
- 4) Retest**
- 5) Bearish RSI divergence**

What is obvious, USUALLY doesn't play out #StockMarket

Another 1 from the same space...15min chart shows massive buying in the closing minutes & CE's running for cover. Find it---> Analyse it ----> Trade it
