Read and retweet. One of thr best investors in India who has made multibaggers from various sectors such as seeds, Financials, Auto Ancs, Real estate, Chemicals, Pharma,Technical textiles, Animal health etc. Uniquest and most realistic+diverse approach in my view @SamitVartak

> Compelled to take down notes from this very interesting talk by @SamitVartak and share with the Investing community. Was introduced to this gentleman by @ishmohit1 - Thanks !!https://t.co/bCfjfNBWO1
