**Good morning I want to tell you a story**

**Once upon a time I spent all week getting ridiculous messages from men calling me their "little friend," telling me they got publicly humiliated by their girlfriend in front of a girl they thought was me, telling me I was disrespectful...**

...to a man named Aubrey Huff for responding to a tweet that literally said all old and fat people should just die, calling me "beautifull..."

yada yada yada men are trash. We know that.

But then

Then it seemed my fortune was about to change.

Enter mommyheather.
