Twitter Thread by Ashwini Damani

Well it's happening...

Someone who usually buys after I suggest, msgd me and said...
"U should read Renuka Sugar"

U don't know - Modi ji changing Ethanol Rules...

When I argued..immediate response was to send some watsapp msg & a reply "I bought Balrampur also sometime back"

Just to add: I have no views on sugar stocks.. I don't understand if Sugar stocks are overvalued or undervalued..
