**Shree Renuka Sugars releases entire pledge of nearly 55.3 cr shares (26% equity) from IDBI bank**

Thanks, ET for quoting me. But a slight warning that Renuka is still using ~75% of existing ethanol capacity & ~60% of enhanced capacity this year vs Balrampur 95%. The key is to monitor CU going ahead (and of course Wilmar stand on 300 mn loan to co)
