#CandleTrading Mega move

■ **#Candlesticks to spot reversal**

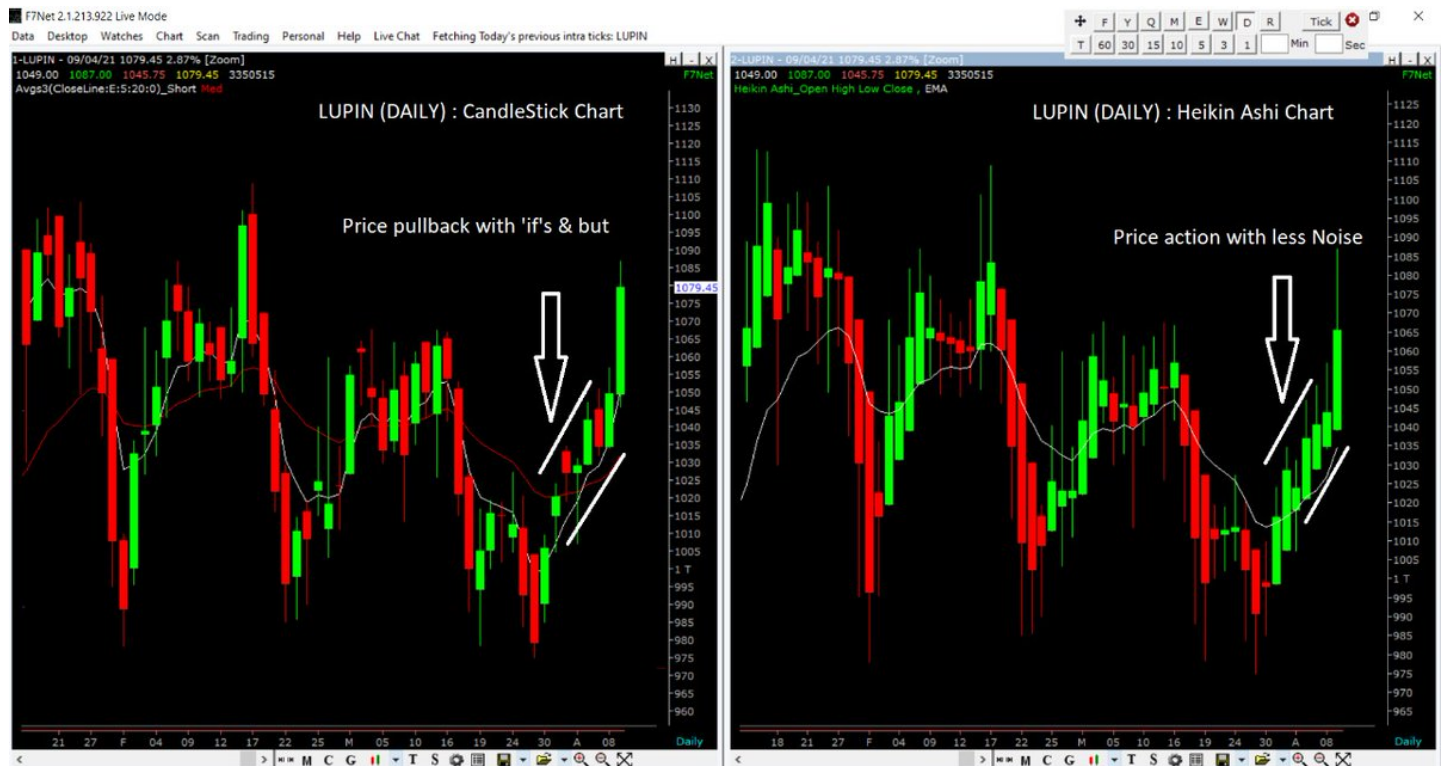

+

■ **#HeikinAshi to capture/ride the trend**

Why ? Coz, Heikin dependence on previous candle data delays its signal.

Ideal combination for #Traders; By keeping both the time scales constant.

Do try it ■ <https://t.co/VsV8lhkAAq>

#CandleTrading Mega move

\u2705 **#Candlesticks** to spot reversal

+

\u2611 **#HeikinAshi** to capture/ride the trend

Why ? Coz, Heikin dependence on previous candle data delays its signal.

Ideal combination for #Traders; By keeping both the time scales constant.
Do try it \U0001f917
