Hindcopper -- Bullish from 60+ for 150-200, targets done.

Gave sell at 175-180 and stock does 135.

Given Buy now from 145 for 200-212. Stock given breakout trading at 156 with big volumes.

Bullish - Bearish- Bullish.

#Hindcopper

Hind Copper - Next multibagger in the making. it can take some more time before that. Keep an eye
