Tata Elxsi @ 500 - Gann theorist ( Target: 250)

@ 900 - Auto sector slowdown

@ 1500 - overvalued

@ 2500 - PE is extremely high

@ 3500 - other options available

@ 4500 - market is insane

Heading to 5000 - will hear the new narrative.

The market is an interesting place to watch.
