TATA STEEL
Ready for yet another move? ■

Daily and weekly charts attached highlighting good price volume action. Key level for upside action 1458.50

[Holding only 30% since 1200 levels]

#TATASTEEL Update
All Target's Hit \U0001f4cd

But due to the bullishness in Metal's, I'll keep on holding 30% Quantity with TSL.#StockMarket #StocksToTrade
