**Revolut Business**

**A business account built for growth**

The image displays the Revolut Business app on a smartphone and the corresponding web interface on a tablet. The app shows a balance of £6,158 and a list of transactions including Airbnb, Pret, Starbucks, Netflix, and Bolt. The website shows a balance of £1,095,123.03 and a list of accounts including Main GBP, US Expansion USD, and Linked accounts like Barclays and HSBC Business.
