■I am excited to announce I'm joining @draftbit's content team as a tech writer. Will be working with awesome @nickselman ■

What can you expect
- posts
- docs & REST API guides
& much more

That "much more" depends on what you'll like to see. Pls leave suggestions for that ■

The current status of REST API Guides with #Draftbit is as follows:

■Airtable
■Sheety
■Contentful
■Webflow CMS
■Unsplash (GET only)
■Bubble CMS
■https://t.co/47Et2vpdFr CMS
■Backendless

You can find the complete guides at the link: https://t.co/a5qk9sN65L
