Good Saturday Morning Chart Fans!

Will I have to learn to draw vertical lines with no slope? Let's have a look!

DJIA Channel Check

Transports. Same pattern as we saw in the fall.

Utes.

SPX Channel Check

Naz. Did not take out Wednesday's intraday high.

IWM the laggard this week

SOX

Bank Index. No higher high despite rates.

Yield on 10 yr

XLE I'd bet even someone who doesn't look at charts see this 45 level.

XLV. Drugs finally boosted Friday.

XLI. Will industrials finally reward the bulls?

IGV

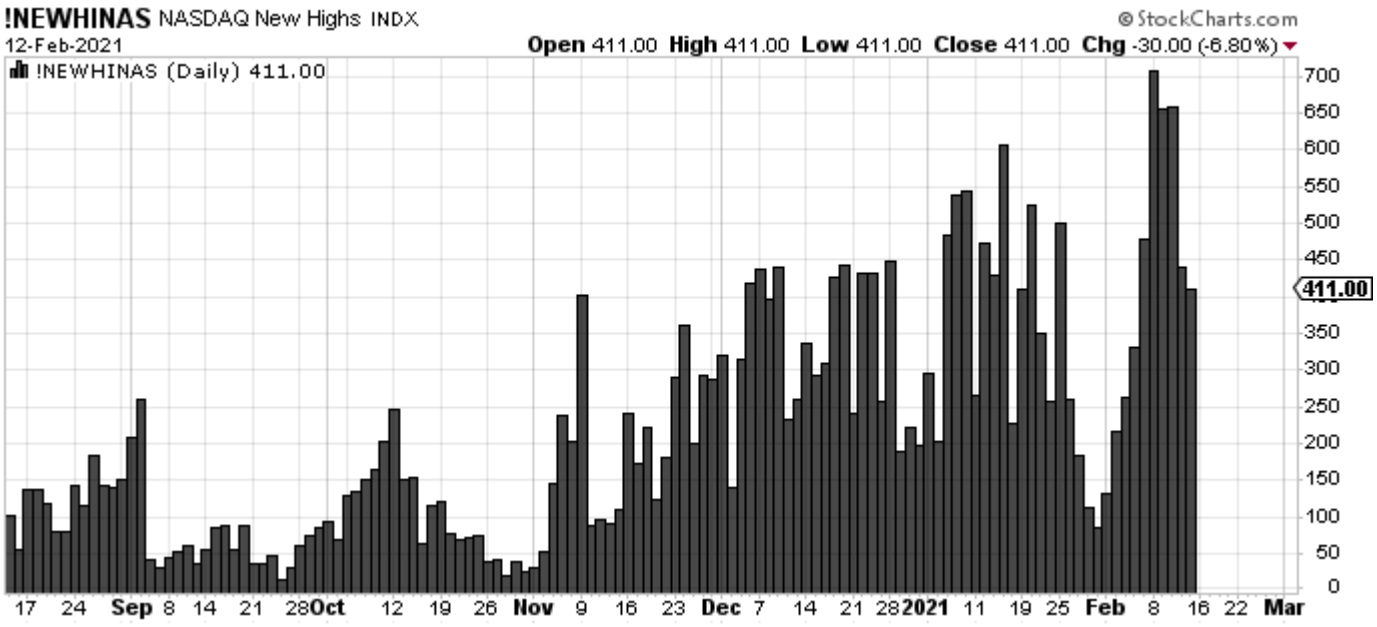

ARKK. Cathie took a breather this week.

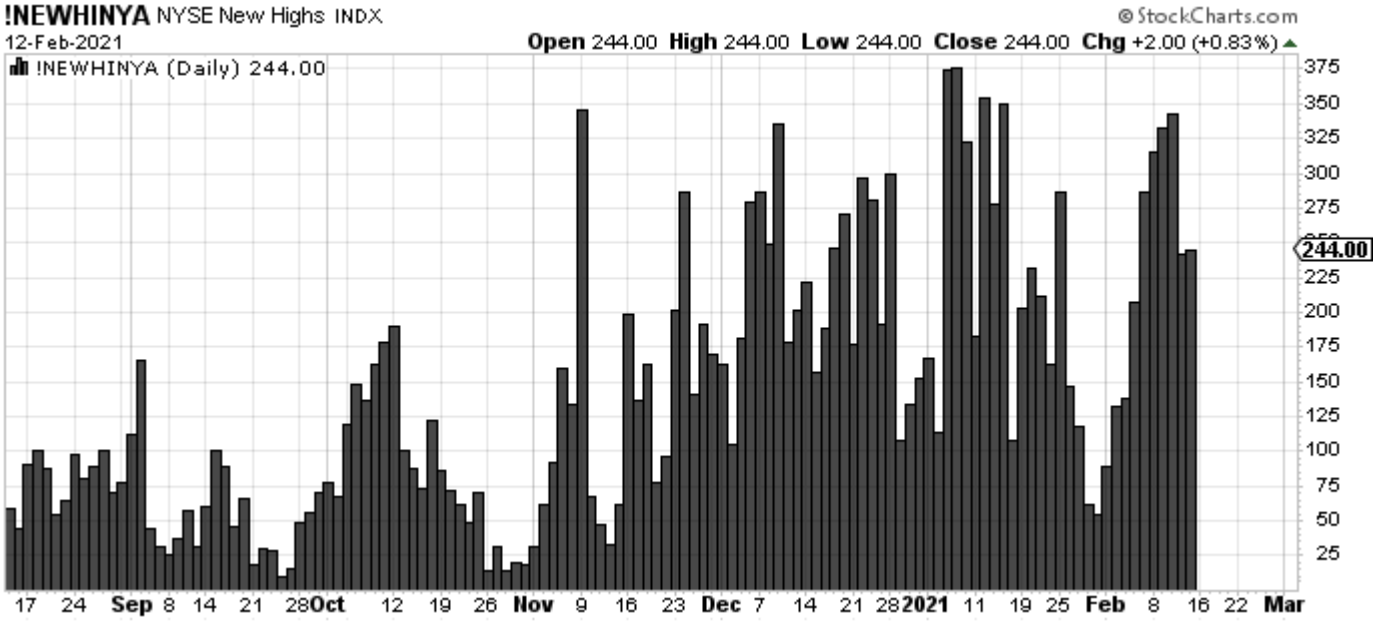

McClellan Summation Index

Naz new highs.

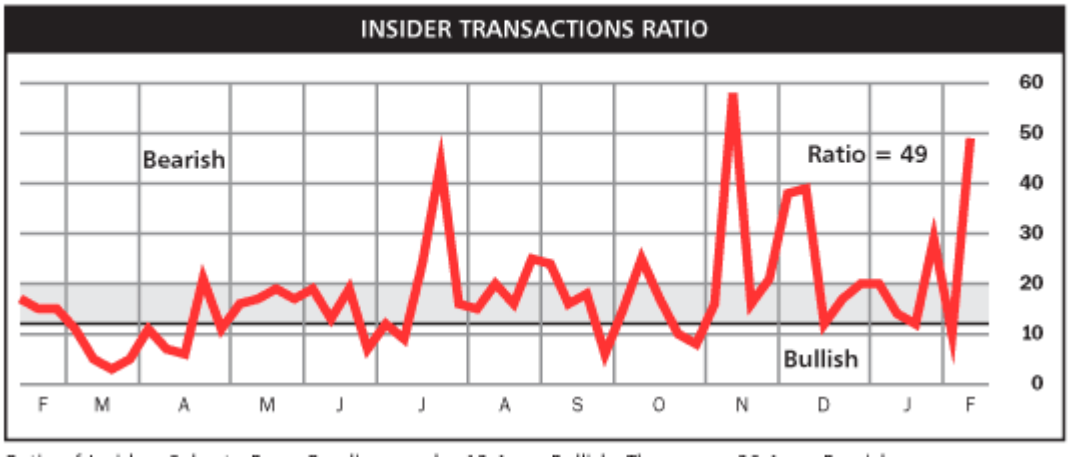

NYSE new highs.

Oh look at those Insiders.
