Everyone should own a digital asset that earns \$2,000 per month.

Here are 10 dead-simple ways you can make your First \$1 online (from people who actually did it):

■ Analyze viral Tweets

1. Get Twemex (free chrome extension)
2. Find influencers with viral tweets
3. Identify why they went viral
4. Put your analysis on a document.
5. Upload it to Gumroad
6. Sell it

■ Extract data from yellow pages into excel

1. Find a B2B/B2C niche that needs offline data
2. Choose a digital platform (Excel, Airtable ..)
3. Move the data to the digital platform
4. Hire someone on Fiverr to do it
4. Sell it on gumroad

H/t @SachinRamje

■ Design flyers and graphics

If you are good at designs:

1. Find a niche (ex: Vegan restaurants)
2. Create a profile on Upwork
3. Upload a portfolio
4. Start with a low charge per hour/design

5. Steadily increase your charge

■■ Become a coach

1. Decide on a target persona
2. List down your achievements
3. Update your social profiles
4. Create a calendar account
5. Create content with CTA to book a call

■ Start a Youtube channel

If you're good with videos, this is for you.

Pros: Multiple income streams (Ads, Sponsorships, affiliates, etc..).

Cons: Monetization is a long-term goal.

✍️ ■ Write on Medium

If you're a writer, Medium is a great place to be:

1. Pick a niche
2. Write consistently
3. Include affiliate links
4. Build an email list
5. Monetize

■ Affiliate income through Gumroad

Promote popular products on Gumroad as an affiliate.

Create content and distribute it on:

- Twitter
- LinkedIn
- Instagram
- YouTube

👉 ■ Write sports analysis

Reach out to sports blogs and media outlets to write:

- Sports articles
- Pre-match reports
- Post match summary

And get paid for it.

[@MaleekOlalek](#) ■ Become a Tutor

Got high grades? Use them:

1. Specialize in 1 or 2 subjects
2. Find student communities
3. Promote your services
4. Collect testimonials
5. Get paid

In 2020, I was stuck in high school, unmotivated, and always emotional.

2 years later, I scaled my tutoring business from \$0 to \$3000/month.

It was and still is my greatest achievement.

■ Create a free product

Sounds crazy right, here's how it works:

1. Find a problem people have.
2. Create a guide to solve it.
3. Upload it to Gumroad.
4. Use "Pay what you want" option.
5. Collect emails & get paid.

It works ↓

If you still think you can't make money online.
