Canadian media has acted like the messenger for the devil's architects. Conservative supporters bought out the Toronto Star and Post Media"s foreign owned hedge fund are calling the shots.

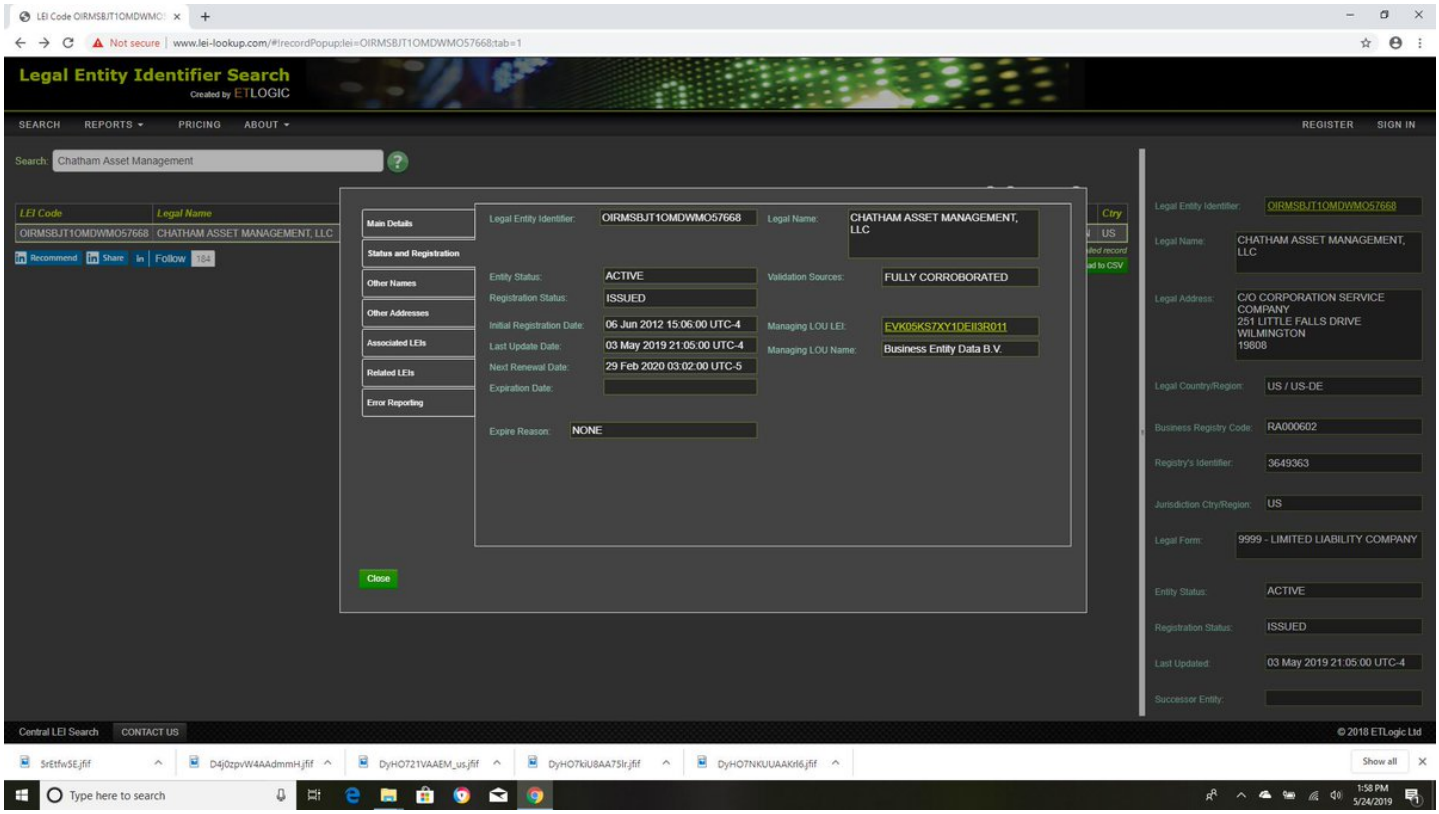

Post Media in Canada represents a foreign ownership of the free press that would not be tolerated in the U.S., France, Japan or Germany. https://t.co/pTgJprWA6K

As for Leon Cooperman, who owned 14% of Postmedia and 7% AMI, the SEC leveled insider trading charges against him for trades he directed in a small pipeline stock. Cooperman settled by paying $4.9 million, but neither admitted nor denied the accusations. https://t.co/2lkS8zKbOh

Postmedia's Deep Ties with American Media Inc. https://t.co/nR9JcaHoFn

In November 2019, Postmedia announced that 66% of its shares were now owned by Chatham Asset Management, an American media conglomerate which owns American Media, Inc., and is known for its close ties to the Republican party. https://t.co/0uDQHvX2Zt

Intratrust connects Postmedia to Enbridge Risk Management, SNC Lavalin, Jared Kushner, weapons manufacturers, OPP projects with Bird Construction which is owned by Richard Bird a VP with Enbridge etc.

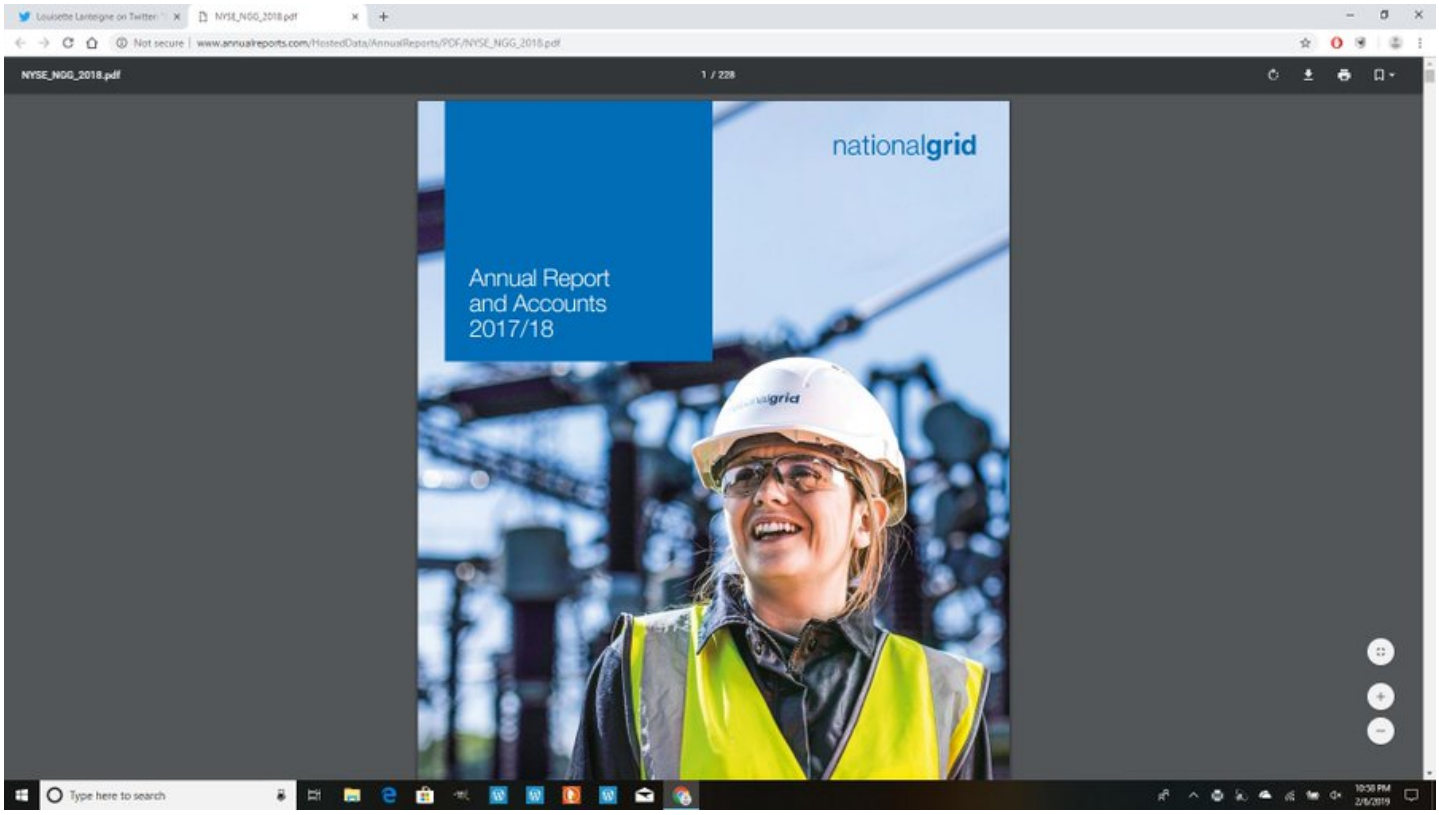

Intratrust is used by weapons manufacturers, pipeline and prison projects, Post Media etc. It is a tax haven, a way to pass bribes and launder money. See page 11 of this report.

This is the address. Go here. It's the one single address that united them all.

I exhausted protocols in Canada trying to report this. I shared my work with Ministers, media, Revenue Canada, OPP & RCMP. Note: Prime Minister Harper's Office is refered to as PMO in the documents I secured from Police.

The police have no jurisdictional power to investigate the Prime Minister. They are stuck under the chain of command. In Canada the Minister of Justice is the Attorney General of Canada. It is a dual role portfolio in the Canadian system. No objectivity no justice.

Former Prime Minister Stephen Harper signed a trade deal with Panama in 2010, which encourages tax evasion by Canadian companies, according to experts.
