3. OFFERINGS https://t.co/2lPeAA760i

> Alright, so tonight i\u2019m going to discuss offerings. I\u2019m also going to discuss why I think offerings are easy money makers. It\u2019s one of my trading strategies, but don\u2019t think that means you need to go buy every stock that has an offering. This might be long. Let\u2019s get started....
